November 2007

Meeting Information:

Austin Metal Detecting Club meets at Woodlawn Baptist Church 4600 Manchaca at **7:00** on the second Thursday of each month. We meet in Room M – 103/104 on the first floor to the left when you come in the main entrance. Our meeting this month is **Nov. 8th** 2007. Visitors are always welcome.

November Program – Randy Connell will present a program on maps and will share ideas for doing research to assist with treasure hunting.

December Meeting and Dinner – Looking ahead – we will hold our annual Christmas Dinner and meeting on Thursday, December 13th at the North Club house at Branch Creek Estates, 12609 Dessau Rd. Starting time will be 6:30.

Find of the Month:

At each meeting, finds are displayed by category. Members earn points for entering finds and more points for winning in a category. The rules and entry form are available at each regular meeting. Remember, items found since the last meeting until the upcoming meeting may be entered in the **NOVEMBER** Find of the Month contest. You may still show your finds even if you do not wish to compete in the Find of the Month.

Executive Meeting:

Our executive meeting will be on **December 6th** at Luby's, 1410 E. Anderson Ln. The meeting starts at **6:00 (note time change)**. Executive meetings are held on the **first Thursday** of each month and all are invited.

AMDC Website:

Be sure and check out our club website often - <http://www.amdconline.com> Check out the Forum link that is fantastic and allows club members to post items of interest and look at club activities, tips etc. If you need to register for the Forum, or "Member Only" section, jot Cecil (webmaster) an email and he will get you a temporary password. You can then set your own user name and password to get in. **Word of caution** – there is a section on the forum that is open to anyone interested. If you choose to post or reply in this section, be sure that you send accurate information – especially when replying to questions from the public.

October Meeting:

Mr. Chandler Nelson was our guest speaker for the October meeting. Chandler shared information about digital photography, downloading and sharing pictures, and editing pictures. He had examples of pictures to show editing techniques and also brought a variety of cameras.

New Members:

There were no new members who joined the club in October.

October Activities:

Club members met at the Travis County Expo Center to detect on Saturday, October 13. We had a good turnout and everyone found a number of coins and other interesting items.

Scott Hegel, Jim Lawhon and John Chapman volunteered to man a booth for our club out at the Crow's Nest on the last two Saturdays during their fall festival. A number of families came to the event and we were able to educate persons about detecting and let some of the older kids search for coins using a detector. A good time was had by all and the weather was perfect.

Thanks to the "Search" team who went on three search missions this month: Scott Hegel, Larry Vickers, Jim Lawhon, Ed Newsom, and Blaine Nelson. Kudos to Larry Vickers who found TWO lost rings in one day. Needless to say, there were some very thankful and happy owners! Blaine and Scott searched a school yard for a young boy's hearing aid and later got a call to learn that it had been found by a school mate and returned. We continue to have a high success rate locating lost items!

November Executive Meeting:

- **Club Elections** – Elections for officers will be held at the November meeting. Members have been encouraged to sign up for offices, board member positions and other committees etc. for the club during the past few meetings. The officer slate we have to date includes:

President – Larry Vickers
Vice President – Jim Lawhon
Secretary – Blaine Nelson
Treasurer – Scott Hegel

Board Members – Art Tiemann, Daniel Mireles, John Chapman, Ed and Sherry Newsom, Cecil Herrin

If anyone else is interested in a position, let one of the current officers know. There will be open nominations at the meeting. It is an expectation for officers/board members to be able to attend the Board meetings.

- **Christmas Dinner** – Art and Nancy will order 2 hams for the dinner. We will ask members sign up to bring side dishes for the Christmas dinner/meeting. We agreed to hold a fund raiser with drawing for various donated items/gifts. This has been both fun and successful in past years. **Please start saving or looking for items to donate to this fun activity. Items do not have to be metal detecting related.** Holiday items, decorative items, books, collectables, goodies, etc. – the variety makes it interesting!
- **Travis Co. Parks update** – we are hoping to have the parks issue back on the Commissioner Court agenda. Commissioner Daughtery will assist us in getting this accomplished.
- **Club Hunts and Activities** – We are always looking for new sites for the club to detect as a group. Please keep your eyes open and thinking caps on and let folks know if you have a potential place for a detecting activity.

Upcoming Events:

November 10 – TCTC Satellite Hunt – Canton

December 13 – AMDC Christmas Dinner/meeting – 6:30 at Daniel/Susie's club house

April 4 – 6, 2008 – Texas Council of Treasure Clubs Show – Killeen Convention Center
