A Word from our acting President

From the Desk of the Vice-president
It is the time of the month again for our Club membership meeting. Hope everyone is staying COVID-19 safe. You may be wondering why this is coming from me instead of Jim Clary. At end of our Executive Board meeting on Feb. 4th Jim resigned as Club President stating personal reasons. We would all like to thank Jim for the time he spent as our president. He did a great job and helped our membership grow. Per our Club's By-Laws until a new President can be elected, I am administering the duties as President. So, if you are interested or know someone who is interested in becoming President please let the Board know. We will be electing a new President at this month's membership meeting on Thursday, Feb. 11

by Jim Lawhon

The newsletter will look some different and may change from month to month. Any complaints or dislikes let Larry know. This month is Lincoln's and Washington's birthdays, but most of all it is **Valentine's Day**. I heard there were some small snowmen in the Austin area in January, I was told the newsletter contained some have you seen any? Some you may notice that I am not an English major, but sure do like words, why use one word when you can use a dozen?

AMDC ZOOM Meeting!

Thursday February 11th (our regular meeting night), we will host a Zoom meeting at 6:30 p.m. for all current paid club members. Members will receive an email with the link to click on sometime prior to the meeting. If you have never used Zoom, it is easy and a great way to connect. We will have show and tell as a program.

Do plan to click on the Zoom link to join in on Thursday!

If you are not a current member and would like to join, please fill out an application which is on our website at amdconline.com, and send dues to Scott Hegel, 139 Fairwood Dr., Georgetown, TX 78628. Your dues are good for 2021.

=====

As you can see things are interesting and can change from time to time. The board meets to keep our regular meeting more fun and handle items that may not interest all. I will try to keep you informed in the newsletter about decisions made both big and small. If you wish to join the board meeting, let Mary Praus know. Submitted by Larry

The following is for your entertainment.

The month of February has several days to celebrate. Ground Hog (sausage) day. Isn't sausage ground pork? The birthday of 2 of our most celebrated presidents, Lincoln, and Washington. Valentine's day which should be celebrated with your special someone. February is the second month of the year and time to evaluate you start to the new year. How are you doing on your New Year resolutions? Hopefully, you have some you still have not thrown to the side and said there is always next year. Here in Texas by the end it is starting to become spring even though we still have several weeks of winter left. Flowers and trees are starting to bloom. Baby animals are being born and everything has a new beginning. It is time we start to get ready for the metal detecting season to start. So, get the metals detectors out dust them off and put new batteries in them or charge them up. Wishing You & Yours a safe, healthy, and prosperous New Year.

I was just wondering at what age do you have your earliest memory of an event? I have 2 memories of events when I was 2 years old. One was walking to a black school about 1/3 miles away to have someone to play with. The second was walking a mile down the road with my Mom to visit a neighbor. I picked some flowers to give to their little girl. You can imagine what the flowers looked like when we arrived after being carried by a 2-year-old.

Leon and I have decided to donate some money to the Kerrville Lions camp and was wondering if others may want to as well? Maybe you could write up something about the camp and our activities there for the February newsletter and mention this? There is now a form on their website where you can give via a credit card.

There are a lot of charities requesting money, but I feel like the Lions Camp is one where the money is appreciated and used in direct support of the campers.

Submitted by Mary Prause

I am in favor of a writeup on the Lion's Camp in the March newsletter. Maybe Susie and I can put our heads together and come up with a nice article for March. Submitted by Larry.

Note: I ask that everyone pray that this flu (COVID-19) be over soon and let us get back to a life that is like it was before.

- **MEMORIES!** Can any of you remember meeting a Shoal Creek Saving & Loan, North Austin State Bank, Denny's on Burnett Road and Anderson Lane, or Crestview Methodist Church?

FYI this newsletter contains about 2125 words and is 6 pages long. Hope this never gets over 10,000 words.
