January Meeting

The January meeting was a show and tell by the members of the club. They were asked to bring some of their interesting finds over the years. There were lots of variety of items including a short talk about arrowheads found by the father of one of the members.

These are truly the finds that keep us digging. You never know what the next beep is gonna be!

AMDC Search Team Results

The Austin Metal Detecting Club has a team of searchers that go out and attempt to find lost items. These are the results of our recent searches.

Jan #1 - Emma - her husband lost his white gold wedding band in back yard - Rick searched and found it

Jan #2 - Brianna - lost her platinum engagement ring in Del Valle - Mitch searched but no luck

Jan #3 - Wendy - lost her silver wedding ring in Wimberly - Andrew and Mitch searched but no luck - Then they encouraged Wendy to look through items removed from attic again and she found her ring in a Christmas bag

Jan #4 - Hadley - lost her ring between her house and a neighbors - Debbie and Mitch looked with no luck other than a number of coins.

AMDC Monthly Programs Wanted for 2026!

AMDC thrives on its members and there is nothing we like more than to have someone give a program during the meeting. We would love you to be the program for an upcoming meeting! The topic can be anything you like, it does not have to be metal detecting related. It could be about your aspect of the hobby, a place you have hunted and found interesting treasures or a variety of tips you know about selecting a hunt site. Just get in contact with our Vice President to pick a month you can present a program!
