# February Meeting

The February program was the Lights Out Hunt. After a few preliminary discussions of the meeting, people went outside in the grassy area near the parking lot where several items were hidden.

The trick of the Lights Out Hunt was that it was dark out and people had to rely on their detectors alone to locate the treasure! No head lamps or flashlights allowed. Typically pinpointers are not allowed for this event because many have a light built in to them but after a while a few folks helped clear up the remaining items by locating them. We would not want to leave the area with left over treasures!

After everyone was done and people returned to the meeting room, the winners received their prizes. This is always a fun event. Thanks to those who helped put it together for our members!

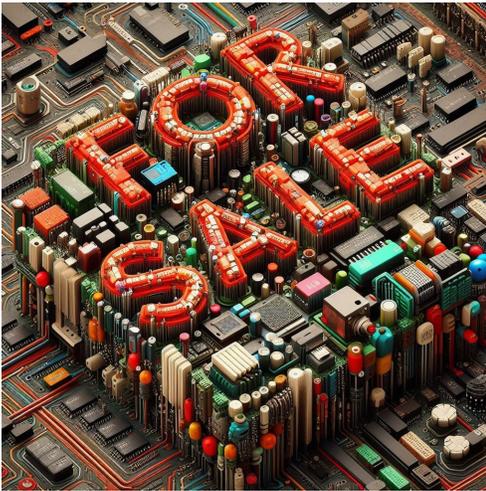

## AMDC Seeking Newsletter Editor

Mitch has been the newsletter editor for a couple years now and he has stepped down. The club is looking for someone to take on this position.

If you would consider being the new editor please contact Mitch or any board member.

Thanks

Larry is selling a metal detector bag. In new condition. Has carrying handles, a zipper and side pocket.

Larry is asking just \$20.

## **AMDC Monthly Programs Wanted for 2026!**

AMDC thrives on its members and there is nothing we like more than to have someone give a program during the meeting. We would love you to be the program for an upcoming meeting! The topic can be anything you like, it does not have to be metal detecting related. It could be about your aspect of the hobby, a place you have hunted and found interesting treasures or a variety of tips you know about selecting a hunt site. Just get in contact with our Vice President to pick a month you can present a program!
