Executive Meeting

Our executive meeting will be on **April 3rd** at Luby's, 1410 E. Anderson Ln. The meeting starts at **6:00**. Executive meetings are held on the **first Thursday** of each month and all are invited.

March Executive Meeting

- **Upcoming Programs** – Our March program will be presented by Larry Vickers use of different types of coils. In May Blaine will talk about water detecting. We still need a program for April.
- **Club Hunts** – To better plan for future hunts we will ask club members for input as to the type of hunts, times and sites that are of interest. We would like to schedule a “training” hunt time to have experienced members work one on one with folks who are new to detecting. We might offer “Monday Morning” hunts to hunt sites following a weekend activity etc. and will query the club to determine interest in this. Scott is going to check on the Travis Co. Expo. Center to see if we can hunt it following the rodeo.
- **TCTC Show** –. We discussed plans for the club booth, and need club members to volunteer to help both with the booth, and with the maid door, taking money and tickets. We will have sign up sheets for volunteers to help with both.
