Larry's Ramblings:

Now that the weather is getting cooler, it is time to get out the metal detector again and dust them off. Put new batteries in the detector. Read the manual so you know how to operate your metal detector with all the options. Now that you have the basics completed, you can look for new places to hunt.

I know that mid 90's doesn't sound that cool but it is a lot better than low 100's.

Most of all be safe and have fun. Never challenge Mother Nature, cause you will always lose.

Congratulations to Roy Stahl and Michele Piler on their marriage!!!

September Program

We have a speaker (unconfirmed) coming to talk with us about Astronomy. We will send the membership email regarding the program once it has been confirmed. We have an excellent back up program as well.

September Executive Meeting

John Chapman volunteered to serve as Program Chairman. We can ALWAYS use ideas for interesting programs, so if you have any programs you would like to present or know of a speaker, let John know.

Larry Vickers will serve as Chair of the Llano event as our club participates in the Gold Fest weekend Sept 27-28. Blaine will have sign up sheets for volunteers to sign up to assist at our booth and/or with our hunts.

August Meeting

Program

During our August meeting we watched a video on security. It was quite interesting to see the presenter demonstrate how easy it is to conceal numerous weapons. Gosh, he must have had 30 weapons on his person! During the break we had refreshments, time to visit, and voting for the "Find of the Month" contest. There were also a number of prizes given away in our monthly fund raiser.

Refreshments

Thanks to Gary and Christine Kiern for bringing refreshments. Ed and Sherry Newsom will bring refreshments in August.

New Members

There were no new members who joined in August

Lost and Found

This month we received three requests to search for lost items – all were for men's wedding bands lost in their back yards! Scott Hegel tackled the first search, and successfully pulled up the ring within about 10 minutes. Good job Scott!!

Blaine searched for the second lost ring in the owner's back yard. A thorough search did not produce the ring we concluded that it probably flew into the neighbor's yard through the chain link fence. We will attempt again permission is gained to search the neighbors yard.

Jan Hallez, our member from Denver, received a request to look for a band w. diamonds that had been lost in the yard 3+ years ago in suburban Aurora, CO.. Jan and sister Blaine searched – but did not locate the ring.

August Activities

We figured it was too darn hot to hunt, so we gathered over at Frank and Blaine's for food and festivity. Everyone contributed to this wonderful meal and Frank grilled chicken to accompany our brisket. Susie brought a surprise cake to honor Daniel and Frank's birthday. Needless to say, everyone had a good time, and getting together minus our detectors was a great way to get better acquainted.

Monday Morning Hunts

Our Monday Morning Hunts will resume in September – with a hunt scheduled for Sept. 22. These hunts are fun, informal, and EARLY. So if you are an early bird who wants to start the day swinging, come join us! The site for the 22nd has not been finalized, but email will be sent to club members with time/place to meet. If you have ideas for possible sites for a Monday Morning Hunt, please let Blaine know.

AMDC Website

If you've never checked out our web site take a few minutes to see what's there! Everyone is encouraged to go to the Forum and participate, as this generates interest, good PR and even info./potential sites for the club. Our web site is: <http://www.amdconline.com> You can register for the Forum, or to get a password for the "Member Only" section, jot Cecil (webmaster) an email and he will get you a temporary password. You can then set your own user name and password to get in. **Word of caution** – If you post items or reply to a posting, be sure that you send accurate information – especially when replying to questions from the public.

Upcoming Events:

Sept 22 - Monday Morning Hunt! Site to be announced – likely be south this time...

Sept. 27-28 – Llano Gold Fest – AMDC will have a booth and put on a fun hunt for the public.

Oct. 4 – Cowtown Treasure Hunter's Club Competition Hunt – Casino Beach Park, Lake Worth, Tx

Oct. 18 – Lone Star Treasure Hunter's Club Competition Hunt – Glen Heights (Dallas area)

Nov. 16 – Houston Club (H.A.R.C.) Competition Hunt – Appfel Park, East Beach – Galveston

Llano Weekend

OK Gang! Our club will be hosting a booth and hunts Sept. 27-28 in conjunction with the Llano Gold Fest. This is a community activity which brings locals and visitors. We will be discussing plans at the meeting Thursday, but please mark your calendar and plan to participate one or both days. It is really a lot of fun and good PR for our club and the hobby.

Ongoing – We are collecting the following items – bring to any meeting:

- Foreign coins to plant for the Kerrville Lions Camp hunt in June
- Items to donate for **2008 Christmas** dinner fundraiser (anything of interest)

Newsletter

Are you tired of seeing the same old newsletter? We welcome YOUR input and articles. Do you have anything of interest to report, or a story that the members might enjoy? If so, let Blaine know, and/or send items to her via email.

Member Involvement

Thanks to Art Tiemann, who continues to promote our hobby when he attends the Archeological meetings and most recently the Ham Radio Club meetings. He has a real knack of spreading interest in and understanding of what metal detecting is all about.

Find of the Month:

At each meeting, finds are displayed by category. Members earn points for entering finds and more points for winning in a category. The rules and entry form are available at each regular meeting. Items found since the **AUGUST** meeting may be entered in the **SEPTEMBER** Find of the Month contest. You may still show your finds even if you do not wish to compete in the Find of the Month.
